THE FUTURE

In September 2016, the U.S.
Department of Transportation
awarded the Iowa Department
of Transportation a \$25.7
million FASTLANE Grant to aide
in the construction of a \$47
million full-service logistics
park in Cedar Rapids, Iowa.
The facility would co-locate
truckload consolidation,
intermodal container facilities
and multi-modal transfer
services on a single site. Alliant
Energy is a private partner in
the proposed facility.
